

Volunteer Committee for Cultural Affairs

The Mayor and Township Council has approved the creation of a Volunteer Committee for Cultural Affairs whose mission is to develop a litany of exciting...creative...interesting and far-reaching subjects in addition to round-table discussions that will be germane to every demographic in East Hanover

The programs will be offered as often as they are developed during the course of the year replete with speaker(s) for all of the discussions. Volunteers are required in order to make this challenging and exciting and township initiative come to fruition .. and become successful.

Kindly contact Steve Stone at 973-887-2949 and please bring your wonderful creative juices with you.
Thank you.
